Answer the following :-

8.00

1) Why most civilisations were developed along riverside?

9.00

Ans: Most civilisations were developed along rivers because rivers supplied a continuous flow of water for farming and human consumption.

12.00

2) Why the civilisation named as "Indus Valley Civilisation"?

13.00

Ans: Historians and archaeologists researched and concluded that these cities belonged to a common culture. Since these cities were located in the valley of the River Indus, this culture began to be known as the Indus Valley Civilisation.

17.00

3) Why Indus Valley Civilisation also called as Harappan Civilisation?

18.00

Ans: Historians also refer to this civilisation as the Harappan Civilisation as Harappa was the first site to be excavated.

05 Sunday

20.00

4) Name some famous sites of Indus Valley Civilisation.
